## December 2010

Howdy Y'all, his month's match is on December 11<sup>th</sup> and 12<sup>th</sup>, with Monday's match on the 13<sup>th</sup>. Sign in at 9am.

Things are going well here at the Range. We have done a lot of clearing around both or the lakes, and they really look nice. A lot of leaves have come down and they are a constant source of work. As soon as you rake them up, either more fall, or the wind blows them right back again. We burn as many as possible, but you cannot burn on a windy day. They will all be down soon, and that part of range maintenance will end for another year. Any of you retired shooters who would like to help with maintaining the range during the week before each match, we would sure appreciate any help you can give.

Travis, our ranch hand, has decided to go back up north. He will be moving back to New York to a job offer that sounds pretty good. We wish him luck and support him in this move. It should be very positive for him. BUT, with Travis leaving the week after this months match, that means a lot of range work will either not get done, or, will have to be done by others. TX Alline and I are not physically able to do all of it our self. If you can help, please do.

The fifth weekend in January will be a work weekend. We will be working both the 29<sup>th</sup> and 30<sup>th</sup>. Anyone wanting to stay for the entire weekend, can come Friday night, or Saturday morning, and stay in the Bunk House on the range. If anyone comes on Friday, we will all go out to eat at a local restaurant. Meals for Saturday and Sunday will be provided by the Club. Their will be no charge for the Bunk House, and if you have a trailer or motor home, you can hook up at no charge. There should not be any other matches going on this weekend, so come on out and help. If you can, let us know if you are coming. Bring your guns too, as you will probably have time to get in some practice.

Next months match will be on January 8<sup>th</sup> and 9<sup>th</sup>. Friday night will be our usual get together at a local restaurant if you come early. Match times are as always, and their will be a Monday match as well.

The range kitchen will be slowing down a bit. For now, it will be open for much simpler meals after the match. And will gradually shut down. It is just getting to be too much work and not as much fun. Anyone interested in taking over?

See you at the Match, Justa Hand / President
