This month our shoot fell on the same weekend as the State match in Fredericksburg, but we still had a total of 53 shooters. Not bad when many of our regular shooters were not here. I did see a lot of new faces this month and hope to see them back again. Cockle Bur brought his son to the match and he proceeded to show them how to shoot a Sharps cartridge gun. The same gun was used by father and son and went from pattern to group. What does that tell you about young eyes? I hope we will see him back as he seemed to be hooked on our sport.

After the June shoot we will have a meeting to try to recruit people to help with Jail Break 2012 if we are to have it next year. Everyone interested should attend. Tx. Alline and I are just getting too old to try to do it by our self again. I have written up a list of chores that need to be done and will try to come up with volunteers who are willing to take them on. Volunteer to help your club put on a first class shoot again next year. Tx. Alline and I would just like to be able to sit back and watch this time.

August is our 10th anniversary as a Cowboy Action Shooting Club. The club will be looking into some special activities for this shoot. Plan on having a fun time with good food too. Would someone be interested in coordinating a pot luck lunch for this shoot? Everyone could bring their favorite dish for everyone to try. Perhaps someone would like to provide the main dish? How about it, one of you frustrated cooks?

Perhaps a couple of fun side matches could be held. Maybe even some of the old scenarios from 10 years ago. Wouldn't that be fun. Matches were shot differently back then. Just some thoughts.
