

October 2012 President's Letter

The weather has been fine here at the range. We had Several people show up on the weekend to practice and sight in guns. It was really nice weather for that sort of thing,

We had a good turn out last month and everyone really enjoyed the nice weather, although it was a little dry and windy. But that didn't seem to affect anyone's scores. TX Alline served some really good, large, Hamburgers and chips for lunch and everyone really thought they were great. She is going to try to do that again in November.

Last month after the match, several people got together with their musical instruments and began practicing for evening entertainment during Jail Break 2013 in April. If any other of you are musically inclined shooters or spouses and want to join them in the music making, I am sure they would welcome you with open arms. Who knows, we might even be able to come up with a symphony orchestra.

Be sure to get out and vote for our gun rights. Mr. B. said he would take another look at an assault Rifle and high capacity Magazine ban if re-elected. The other guy Mr. R said that we have enough gun laws now, and he will help to relax some of the more ludicrous ones if he is elected. SO.....Who do you plan to vote for? I have already voted.

I hope you will consider supporting the wounded Warrior program. These unfortunate individuals received their injuries protecting our freedom and the freedom of others in the countries that they were wounded in. They deserve our support. Also consider a care package for those serving overseas. There are many groups collecting items and money to make our troop's holiday a little brighter. If you don't know of any, the local chapter of the Vietnam Veterans Association in Palestine is taking it upon themselves to collect and distribute boxes of goodies to those serving in outposts that have no access to a PX or a regular base. These are the loneliest places on earth, and your contribution of items or money would be greatly appreciated. The Vietnam Veterans Association will pay any postage and shipping charges relating to these goodie boxes. You can leave your donation with us at the range, and we will see that it gets to this group. Hat's off to them.

You might be a Real Cowboy if you think illegal will get you a penalty instead of an entitlement.

Justa Hand
