

## April 2013 President's Letter

JAILBREAK 2013 is now behind us. We had a good group of shooters who had a great time. The weather was perfect, the camping area was full of Trailers and Motor Homes, and everyone had a great social time as well as a shooting time.

Friday night was highlighted by a great Band composed of some of our shooters who are very talented and provided a great show. While that was going on, a grill was set up to cook hot dogs in front of the saloon for the Friday night Hot Dog social. Boy, Cowboys and Cowgirls sure know how to eat roasted hot dogs cooked over an open fire. I thought some of them were thinking they were eating seafood, as they preferred theirs blackened. I guess there is just nothing like a good charcoaled Hot Dog, and I don't mean cooked over charcoal.

Even though the new stage was not completely finished, we shot it and even used it for the Man on Man on Sunday. Everyone thought it was excellent and we received many compliments on the condition of the Range. Many thanks go to the people who helped to make JAIL BREAK 13 such a success. The top of the stage has been built and put up by myself and Denton Dancer so the stage is now basically complete. Starting from a gully and ending up with a nice level large stage was a labor of love, and just plain labor. Thanks to everyone who helped make it so.

The rifle awarded to the person who made the nicest section of the new stage went to Pineywoods Jim. After learning we were trying to raise money for the NRA to help them protect our Second Amendment Rights, he promptly donated it back to the club to be raffled off to raise more money. Many of the Jailbreak shooters and attendees purchased a stretch tickets for \$20. You could also purchase a couple of misses as a donation to the NRA. All together we raised Fifteen Hundred Ten dollars (\$1,510)! We were able to donate the money directly to the President of the NRA, David A. Keene at the NRA convention. Photos coming soon on Facebook from BlueBonnet Belle. Thank -you for making that possible. The NRA was VERY appreciative.

We attended the NRA convention this past weekend in Houston. I hope many of you were also able to be there. It was a great show with more new things gun related, than my head can absorb, but I am going to try hard to get it all in.

See you at the Shoot.
