4) Should the MSV penalty for retrieving a dropped or ejected round be removed if done SAFELY? i.e.:

*24. Ammunition dropped by a shooter in the course of loading or reloading any firearm during a stage or "ejected" from any firearm may be **SAFELY** recovered; or replaced from the shooter's person or other area as required by stage description. If the round is not fired it is counted as a missed shot.*

Keep in mind that current rules allow retrieval of dropped/ejected rounds *after the shooter completes the stage...* with **NO RESTRICTIONS** or **PENALTY** related to where the ammo may have landed or whether the shooter has firearms "in hand" or not.

6) Should the Category of Grand Dame have the name changed to "Golden Girls"?
