

President's Letter

March 1, 2015

This is supposed to be the first day of Spring? In years past, we had a garden planted by now. We had snow yesterday. The winter crops such as carrots etc. are liking this weather and are doing well. Is this a result of GLOBAL WARMING or what?

I hope everyone who went to Winter Range had a good time and will bring back a bucket of trophies. I didn't track the weather during the shoot, but hope it was good. Tell us all about it when you get back.

Jail Break is coming on quickly and preparations are being made for it to be one of the best ones yet. The steak's have been purchased and are in the freezer, the Chicken spaghetti has been prepared and also frozen, and the other items of food are going to be purchased soon. We want everything to be prepared in advance so that the food line will move quickly so that everyone can be fed in a timely manner. Not like last year. Everyone should have a good dining experience. Friday night will be the free Hot Dog social, and Saturday evening will be free Steaks, Baked Potatoes and Salad. Come and enjoy.

Don't forget the beautiful Belt Buckles that we will be giving for the first three places in each category. The same type as last year. Everyone needs one to hold their britches or Gun Belt up. Come and claim yours.

The next month will be spent putting finishing touches on the range getting it ready for Jail Break. If any of you have the time and want to help, contact Tx. Alline or Denton Dancer to coordinate what you can do and when will be the best time to do it.

By the way, ask Denton Dancer about the Big Bob Cat that he saw outside of his trailer last month. It leaves tracks about two inches across.

Don't dig for water under the out house.
