

President's Letter

January 2015

The January shoot was pretty much a rain out. Saturday was cold and with the threat of rain all day. That kept many shooters away in their warm home instead of playing cowboy. Sunday rained all day long and the match was cancelled. Monday was nice and the shooters really enjoyed the day. As more and more shooters are retired, you ought to give the Monday matches a try. The folks that do, really know how to have fun. You can shoot regular Cowboy or Wild Bunch, whichever you choose.

Jail Break 2015 is rapidly approaching. It is time to make plans to be here for the shoot. The shoot will be great again this year, hopefully without any storms, and the weather will be nice. Even with the storms last year there were no problems for people getting stuck in mud. Our range is fairly easy to maneuver vehicles in even when wet. There will be a Hot Dog social on Friday night. The club will provide Hot Dogs and their fixings. If anyone wants to bring a side dish, bring it on. Ice tea will be provided, but if you want any other drinks, bring them with you. Saturday night will be a delicious FILET MIGNON (excuse the spelling if that is spelled wrong) evening meal. If you have been here for one of these before, you know how good it is, if not, you need to find out. I hope to see all of you there.

Tx. Alline and I went to see the movie, American Sniper the other day. If you have not seen it yet, I highly recommend it. The acting was superb, but the message and the thought put into portraying things as they really were (are) was fantastic. It may be billed as a War Movie, but it is so much more. But the most impressive part was when the movie was over and the credits started to roll against the backdrop of Chris Kyle's funeral procession, no one got up to leave, but just sat there quietly. Even after the movie screen went blank, everyone just sat there for a full minute without speaking before getting up to leave, and as everyone filed out of the theatre, no one was talking, but remained silent until out in the lobby. It was a highly emotional movie. I highly recommend it.
