

President's Letter

December 1, 2015

First, the weather report. It has been WET. We had almost four inches of rain since Thanksgiving. Things are a little soggy. The Sun has come out a little today, and is scheduled to stay out for about a week, so we should dry out nicely in time for the December match. We had a couple of light frosts so far, and are scheduled to have a few more next week, but the grass is still green and the cows do not need Hay again yet, so that makes it a little easier on us here at the range. But, it won't be long until snow now.

Christmas is coming, have you made your list yet? The club has a wish list of items that could be used as door prizes for the up coming Jail Break match. So far, it looks like we will have three (3) 1911 .45 Cal. Pistols to be given away that will be perfect for a Wild Bunch Match, and who knows what else Santa may bring. If you want to be a Santa, your present or presents will be greatly appreciated, and I am sure the recipient of your gift will be appreciative too. We plan to have a Neil Diamond tribute singer at the Friday night Hot Dog social. That will be Roasted Hot Dogs with all the fixings, enough to be considered a full meal. And, Don't forget the Renowned Filet Mignon dinner and Side Match awards on Saturday evening at 6.

There will be a BIG POT of BEANS and CORNBREAD after the December match for all the shooters to enjoy. You might even find some Nachos and Cheese to top it off. And if it is not too cold, a Root Beer Float. You should not have to go home hungry.

Don't forget, it is time to renew your membership in the club. We hope that you have been pleased enough with your experiences at the monthly matches to want to continue to be a member, and maybe even encourage some of your friends to become new members. Remember, this is your club, and everything that the club does is to benefit its members. You might even want to include comments and/or suggestions for the club with your membership renewal. Remember, we cannot change things to benefit just a few members, but must always take into consideration what is best for the majority. I can't guarantee that your suggestions will be acted upon, but we need to hear from, and keep in touch with our members, to remain the club that you desire.

This year Jail Break will occur just before the SASS State Championship that will be held at Old Fort Parker. Consider Jail Break to be a warm up match to get you ready to compete for State. We hope everyone will attend both of these fine matches.

The club lost another fine member. Who Shot John passed away last month.

WOW (words of wisdom) Some people are born on Third Base, and go thru life thinking they hit a Triple.
