The weather report in one word, GREAT.

Jail Break "16" is now history, and what a great shoot it was. There were 116 participants signed up and 104 actual shooters. Everyone had a great time. The only problem that usually occurs is when someone signs up at the last minute and wants to be on a particular posse that is already full, and then gets upset when it is too late to make changes. PLEASE, do not do that to the good people who are desperately trying to keep everything straight. And PLEASE, don't bother the scorekeepers after the match while they are trying to correctly enter all the scores. That takes total concentration to avoid mistakes. Whatever your question or comment, it can wait a little while.

The Wild Bunch match was a big success, and it seems that more and more shooters are participating than ever before. Perhaps you would enjoy it too. The other side matches were also well received.

And, I want to extend my thanks to everyone who put in so much effort to make the match the success that it was.

The three .45 Automatics were given away and the winners sure did appreciate them. Everyone received some neat door prizes too. The free lunches of Ham or Chicken sandwiches and all the fixings were also enjoyed by all. The Saturday night Steak dinner was a big hit as usual and everyone got their fill, especially with the huge baked potato that would be a challenge to finish, and the delicious salad that went with it. Look for more next year.

Speaking of next year, mark your calendar for the second weekend of February 2017 as the date for Jail Break "17". This will probably be the first major match of the year. Perhaps we might even encourage some Snow Birds to make the trip south to attend.

If you haven't seen our memorial to our fallen shooters, look next to the Brothel stage. A lot of work went into it, and it is so nice.

There will be a free meal after the June shoot. We had some Hot Dogs left over from the Hot Dog Social at Jail Break along with the fixings and Baked Beans and Chips. Come and enjoy them with us.

I hope to see you all at the match.
