

President's Letter

May 23, 2017

The weather for the April match was fantastic. Although many of our shooters were participating in two other major matches, those who came to the match had great weather and enjoyed Root Beer Floats after the match. Also, everyone at the Saturday event each received some kind of door prize. Anything from an chocolate Easter Bunny to a water squirt gun. It was fun.

The after the match side match was shot at marshmallow chickens with a 22 rifle. It would have lasted longer if someone had not been eating the targets.

This month the side match, as I understand it, will be shot with your regular cowboy rifle and or a 22 cal. rifle, so bring plenty of ammo.

I understand we had a few winners at both the SASS Texas State Championship match and Land Run. I am not going to try to list winners as I will probably miss someone, and I don't want to hurt any feelings. For those of you who did win, YAHOOO.

I hope Oklahoma Dee is doing well after Hip surgery. It may slow his body down for a while, but not his mind or spirit. We hope to see him in full swing mode in a short time. Denton Dancer is also scheduled for shoulder surgery next week. He came to the range early this week to make sure the range will be ready for the May match even if he may not be able to do much. Gunslinger has volunteered to help out if needed.

Tx. Alline is down with a cold this week. I hope she gets well soon so that she will be a little easier to live with. We got her a new car last week and I think it is just an allergy to the new car smell. I may have to claim the car for my own.

Their will be some kind of treat after the match this month. I don't know for sure what it will be yet, but you can bet on something good.

Hope you all had a great Easter and had a chance to give thanks for all the good things that we enjoy.

Till next month, keep your nose clean and your powder dry.

Justa Hand
