

President's Letter

April 1, 2017

The weather here at the Range has been FANTASTIC. With any luck at all, it will be just as beautiful for the April match. At least that is what I will be Praying for.

You may have heard that Gunslinger has chosen to retire as the club Chief Range Officer after 13 years of being here every month, writing the stage descriptions, and moving any targets that needed to be moved. He would spend two or three days here at the range getting everything just right for the shooters enjoyment before each match while not being able to attend other matches on our shoot weekend. His dedication to making things just right has been suburb. The club cannot thank him enough for all the work and effort he has put into making the club run as smoothly as it has for the last 13 years. We wish him an enjoyable retirement from these duties. Now he can just relax and be a shooter again.

We also want to thank Lonesome Lefty who was Gunslingers right hand man and Assistant Range Officer during most of this time frame. He was the Heavy Lifter of the pair. Retirement from here won't relieve him of much as he will still be putting in much of his time at Old Fort Parker as Range Officer. Way to go Lefty, we are proud of you.

Denton, his wife Calaco Calley, T.X. Alline and I will hold down the fort until other arrangements are made. Who knows what the future may hold. Stay tuned. The only thing that is for sure is that we will be here for your shooting pleasure. If you interested in helping, let us konw.

I read a shooter say that 22 ammo is selling off the shelves faster than canned Tuna before a Hurricane.

If you see an Indian dressed like a Cowboy, he probably is a Cowboy.

If you see a Cowboy dressed like an Indian, he's probably a country music singer.

If you see an Indian dressed like an Indian, he's probably an entertainer.

If you see a country music singer dressed like an Indian, he's probably an actor.

A real Cowboy probably never finished school, but he finished every job he ever started.

Enough for now. Shoot straight and have fun. Be careful and don't be the next name on on our Tombstone,

Justa Hand
