

# GUNS & GEAR

**Coyote Calhoun, SASS #201**

Most of us started playing this game because we not only enjoyed shooting our western guns, but also because we enjoyed the stars of the Silver Screen. We could envision ourselves on the Silver Screen helping Hoppy and Roy save the town from the bad guys. If this is your fantasy, this year at END of TRAIL we have a category right up

your alley. It is called "B" Western. "B" Western and Classic Cowboy are almost mirror images of each other. It is like having Roy Rogers and Clint Eastwood face off. Both are cowboy, but now you have a choice. END of TRAIL 2005 at Founders Ranch New Mexico will be breaking the mold, and this is just one way to do that. World Championships will be given in both men's and women's categories of "B" Western.

Here are the rules to follow for the "B" Western Category at END of TRAIL.

- Handguns:** All SASS legal handguns are allowed.
- Rifles:** Any SASS legal rifle of 1886 or later design or a replica thereof (i.e., 1892, 1894, Lightening Rifle or Marlin)
- Shotguns:** All SASS legal shotguns
- Ammunition:** All SASS legal ammunition is allowed
- Leather:** Buscadero holster rigs or drop loop rigs. (All of the pistols
